

# Tennis and Pickleball

# Tennis History

Mike Lawver was hired by S&S Management as Director of Tennis at Heritage Palms on March 13, 2000. Mike oversaw six clay courts and a small pro shop. All the courts had lights, and water jugs court side for the players convenience.

As the tennis program grew, so did the tennis amenities. Improvements included benches, water coolers, canvas shades for spectators, and eventually an upgraded pro shop. Lennar/US Homes added two lighted courts (#7 & #8), along with an adjacent parking lot to handle the growth of the tennis program.

Heritage Palms tennis program participates in Lee County Men's and Women's League play as well as Heritage Palms USTA teams.

Mike Lawver retired in October 2024, after almost 25 years at Heritage Palms.

**Mike and Carolyn Lawver July 2011**

HP's tennis staff at Mike Lawver's November 7, 2024 retirement party (L-R): Larry Albritton, Carolyn Lawver, Chad Dyer, Mike Lawver, Danny Camacho, and George Freije.

Chad Dyer and Danny Camacho.

Upon Mike's retirement, Chad Dyer, former HP Assistant Tennis Professional, was promoted to Director of Racket Sports in October, 2024.

On January 1, 2025, Tennis Professional Danny Camacho was promoted to Head Tennis and Pickleball Professional.

# A New Tennis Court, February, 2025

The Pickleball Expansion Project started with the clearing of vegetation at the site of the new tennis court. Once cleared, Ritzman Contractors began work on the new tennis and four pickleball courts simultaneously.

The new tennis court – renamed court #6 - was open for play on February, 2025.

# Remaining Seven Tennis Courts Get a Facelift - April 28, 2025

The renovation will be in three stages. Each stage will take about six weeks to complete. The overall tennis renovation is targeted for completion by the end of September, 2025. As well as the courts being refurbished, all the existing lights will be upgraded to brighter LED lights.

# Pickleball History

# History of Pickleball at Heritage Palms

Pickleball was introduced at Heritage Palms in 2012, when residents Kathy Moore and Jane Simon brought in a Pickleball Pro for an informational session, with instructions, at the Lodge.

# History of Pickleball at Heritage Palms

At the Lodge in 2012. The sport took off from there.

# History of Pickleball at Heritage Palms

In 2014, the pickleball courts were moved to the parking lot where the Activity Center is located now.

# History of Pickleball at Heritage Palms

As the sport became popular, and the Pickleball parking lot space became the Activity Center, a movement began to have regulation Pickleball courts built here. After much discussion and research, two courts were opened at the corner of Washingtonia and Queen Palm in 2019. From day one, the two courts have remained busy with members willing to wait 30-45 minutes for a court during morning open play, and afternoon reservations were consistently full during season.

Two new Pickleball courts  
open - March 9, 2019

# History of Pickleball at Heritage Palms

In 2021, as the popularity of Pickleball increased here, the Tennis and Pickleball Committee agreed that a Pickleball Association, similar to the Tennis Association, was needed to improve the Pickleball experience. Larry Chalk, Duane Fakler, and Joy Weiner, pickleball players and members of the committee, created Bylaws and received approval from the HP Board to create a Heritage Palms Pickleball Association (HPPA).

The purpose of the HPPA was threefold: to promote the game of pickleball; to provide recommendations relative to the operation of the pickleball programs and maintenance of the pickleball facility; and to provide organized social pickleball events. The committee then approved a self-appointed Board consisting of Larry as President, Duane as Vice President and Joy as Secretary. Cindy Norris later joined as the first Treasurer. Since its conception the HPPA has been a very active association, growing in numbers each year.
